

Akiuk Memorial School—Advisory School Board Presentation on FY 17 Goal

LKSD Board Strategic Thinking Measure:
50% of Sixth grade students will perform at Level 3 or higher on the YPT

In 2016 Akiuk students scored at 17%

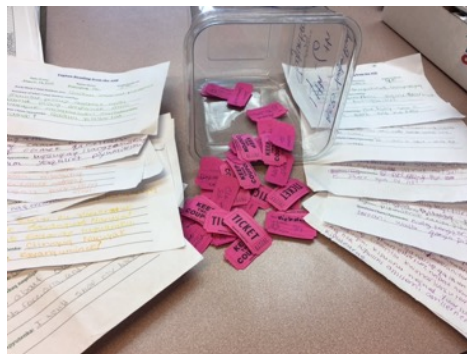

This year we have nine 6th graders none of which made level 3 in 2016.

The Plan: Students in the 4th-6th grade are encouraged to check out a small reading assignment and complete an even shorter writing assignment.

When they are done they earn a ticket to be raffled off for prizes throughout the Spring semester.

The ASB will fundraise through dances and jello sales to buy these prizes.

Our progress— Between Feb 17, 2017 and March 17, 2017:

- 46 assignments completed
- 10 out of 24 students participated

*Four out of Nine 4th graders
Four out of Six 5th graders
One out of Nine 6th graders*

Our first ticket was drawn at the March 16th Grizzembly and
